

## **KPARC Meeting Minutes of Monday, July 11, 2016**

The KPARC July Meeting was called to order at 2:00 PM on Monday, July 11, in the Ripple Room in the Kings Point Club House. President Wayne Conklin officiated.

There was no treasurer's report because Treasurer Doug Gatchell was not present.

In lieu of the secretary's report, President Wayne Conklin read the minutes of two emergency board meetings, on June 18 and July 9. Secretary Linda Conklin was not present.

1. Silent Key: Dean Merrill, long time active ham and brother of Lew Merrill, has passed away. Memorial services will be held this Thursday at St. John the Divine Episcopal Church in Sun City Center.

2. Member Radio Analyses: Bill Miller requests that anyone who had their radio checked for efficiency at the last meeting please email him at [NICDO@yahoo.com](mailto:NICDO@yahoo.com) with the make and model of your HT. If you missed this great service, you can still have your HT analyzed on any Saturday morning in the ham shack. Just be sure to let Bill Miller know you will be there so he can be sure to bring his test equipment (service monitor and spectrum analyzer ) with him on Saturday.

3. Arduino Group: Dick Bishop encourages everyone to stop by the group and see what's going on.

4. Equipment Check-out: Wayne Conklin reminds all members to use the card forms in the card box to check out equipment borrowed from the ham shack. There is a two-week limit to borrowing equipment unless you have approval from a KPARC Board Member.

Program: Jim Key presented a recap of Field Day 2016.

9 members attended the meeting. The meeting adjourned around 3:00 PM. The next KPARC meeting is scheduled for Monday, August 8, 2016, at 2:00 PM in the KPCH South Social Room.

Linda Conklin  
KPARC Secretary
